The 2nd quarter business performance for the fiscal year ending February 2027

We hereby announce the consolidated financial results for the six months ended August 31, 2026 (the 42nd fiscal year ending February 28, 2027) as follows:

Details

During the six-month period under review, the average number of enrolled students at "TOMAS," "Meimonkai," "Shingakai," and "Plus One Kyoiku," as well as the number of operating schools and individual tutoring students at "School TOMAS," increased compared to the same period of the previous fiscal year. In addition, driven by cost-efficiency efforts—particularly in advertising and promotional expenses—operating profit and ordinary profit more than doubled compared to the same period of the previous fiscal year, resulting in record highs for both net sales and profits for a second-quarter consolidated cumulative period.
