Regarding a Business Partnership between Konami Sports Club Co., Ltd. and Shingakai Co., Ltd.

This is an announcement regarding the formation of a business partnership between Shingakai Co., Ltd. (below 'Shingakai'), a group company of Riso Kyoiku Co., Ltd., and Konami Sports Club Co., Ltd. (below 'Konami Sports').

1. Purpose of the Business Partnership

Shingakai currently operates 'Shinga's Club', a preparatory school and day care for students aiming to pass entrance tests to some of Japan's most prestigious elementary schools, in 15 locations throughout the Tokyo, Kanagawa, and Chiba regions (as of March 2021).

Simultaneously, Konami Sports operates 'Undo Juku', a children's sports school specializing in swimming, gymnastics, and other disciplines, in over 140 locations across Japan as part of its 'Konami Sports Club' brand.

In forming this business alliance, both parties seek to take maximum advantage of their respective strengths in this field and mutual corporate resources. In doing so, we are targeting a long-term growth venture for both companies that fosters well-rounded and capable students with a healthy appetite for education as well as physical activities.

2. Details of the Business Partnership

Current Shinga's Club students will be able to attend day care and lessons as well as participate in Konami Sports' School Program in the same place as part of the new brand, 'Konami Sports Shinga's Academy'. Academies will be located in pre-existing Konami Sports facilities.

By combining 'Shinga's Club', which utilizes Shingakai's unique pre-school and elementary educational methodology and curriculum, and Konami Sports' 'Undo Juku', catering to children of all age, strength, and ability, we hope to provide a more convenient service for customers of both companies who hope for their children's academic and sporting success.

We plan to expand 'Konami Sports Shinga's Academy' across the Tokyo metropolitan area and double the current number of Shinga's Club facilities and triple students enrolled.
